CRITICISM

One of the most virulent publications it has been our privilege to peruse of recent days (and there has been many of them) is the latest to appear on the market in the form of a paper called "The Rebel," published under the auspices of J. J. Zubick, of Calgary.

It is undoubtedly the privilege, indeed the right, of any person, should he care to exercise it, to break into print for the purpose of expressing opinions on anything, but there are certain standards of ethics which should be followed in all cases.

"The Observer" will not try to match "The Rebel" in its style. But we cannot help observing that if the paper in question is really seeking the overthrow of the present Government, it would stand a far better chance of success if it were to modulate the extravagance of its language. The rancour and bitterness employed will, in our opinion, only serve to defeat the end sought for.

The almost instant reaction of any fairminded reader of the publication in question is, that a good argument has been wasted by the abuse of the English language. It verges on calumny and far exceeds the bounds of common decency, with the result that although one may be in sympathy with the general trend of the argument, only antagonism and resentment is aroused in the mind of the reader.

SPEEDING CARS

The terrible accident on the main highway near Strathmore the other night serves to bring to mind once more the rank recklessness of many drivers on our highways to-day.

According to reports a dust storm was blowing, and in spite of the visibility being almost nil, a driver sought to pass a truck, and met an on-coming car head-on, with results which might just as well be left to the imagination.

That brings to mind the local situation. Almost any day within the limits of the Town and even on the main street, one would regard it as being bad for the law with respect to speed limits. At least two prominent citizens within very recent weeks narrowly escaped being cut in two, by operators of vehicles driving out on main street. Perhaps they were in a hurry to get out of Town, but were it not for that "split fraction of a second," they might just as well have been in the hospital, or better still, in gaol.

We suggest that local authorities take the matter in hand, and summons a few drivers. It might also be well worth while, for a time at any rate, to keep a close watch on cars coming into Town from the north. One of these days there will be a fatality (most likely a child) on the corner of "Millionaire Avenue."

BOW VALLEY TRACK MEET

On Saturday, May 29th, the Bow Valley Interscholastic Track and Field Association will hold its first annual Track and Field Meet at the Fair Grounds at Bassano.

Only those students who succeeded in obtaining a first or second place in the local meets held last fall will be allowed to enter. Entries will not be received from all and sundry, and the result will be that only the cream of athletic ability will be competing, thereby inspiring the standard of competition and adding to the interest of the spectators generally.

Schools in Bow Valley, from Cheadle on the West, to Brooks on the east, and including representatives from Gleichen, Strathmore, Hussar, Gem, Rosemary, Bassano and other points, will be represented.

A great deal of time, thought and work has been devoted by the organizers of the Association (composed almost entirely of teachers) in order to ensure that the day will be a success. Mr. L. N. Whitehorn, principal of the Bassano school, is secretary, and with his usual efficiency, has already attended to all the multitude of detail rendered necessary to stage such an event successfully.

In the past it has been noticeable that the public generally takes but little interest in affairs of this kind. Why, we do not know. Large numbers will turn out to a fourth rate exhibition of fisticuffs, staged by a few haw and eggers, or a demonstration of hair-pulling, gouging, biting and kicking, passing under the misnomer of "Wrestling."

The quality of athletic ability which will be displayed here on May 29th warrants completely the attendance of any lover of good, clean, health-giving sport, and we hope to see the Town of Bassano well represented by adults, both male and female. The "kids" will be there anyway.

ALBERTA FINANCES

We are not in the secret as to what is exactly the situation at Edmonton with respect to finances to meet current obligations, and bond indebtedness, but it must be serious.

No answer other than the sheer absence of money could possibly justify cutting the bond maintenance crews to two or three days work per week. By the way, just how does the Government expect these men to live on the pittance they will earn in the time they are now permitted to work?

School districts have not so far received the grants due to them for the term ending December 31st, 1936. In other words payment of these grants is now four months overdue, and the only satisfactory explanation is that "the grants will be paid as soon as circumstances permit." In the meantime teachers are expected to live and pay their debts.

The bondholders will be expecting payment of an issue maturing about June 1st, but frankly we cannot work up much sympathy for them just at the present moment, and more especially after reading the Bank of Canada report.

We are sure that the Premier and his Cabinet, will be presented promptly with each of month with cheques for far sized sums, representing payment for services rendered for the immediately preceding month.

CANADIAN BUSINESS TREND

A healthy, though moderate, upward trend was in evidence in Canadian business in February and early March. The most constructive element in the situation was a continuing advance in wholesale prices. The trade in agricultural products was marked by favourable conditions, notably by the rise of the wheat prices in March. The blast iron and steel group showed increased activity except in coal. Electrical power output, employment and car-loadings were all higher than last year, reflecting activity in a wide range of home business. Export trade continued its upward sweep which has now been in almost uninterrupted progress for more than 3 years.

The outstanding feature in the agricultural situation at present is the decline in the visible stocks of wheat. At the end of the third week in March Canadian wheat in store was reported by the Dominion Bureau of Statistics at 25,215,000 bushels as compared with 31,716,000 bushels of the corresponding date last year. Wheat exports for February were lower than last year; but for the seven months of the crop year they had risen from 133,394,000 to 137,683,000 bushels. In dairying, production of creamery butter showed a decrease from 8,821,000 pounds in February 1936, to 7,479,000 pounds in the February just passed; but production of concentrated milk rose on the same comparison from 5,016,000 to 6,173,000 pounds. Sales at the live stock market for the first twelve weeks of the year advanced from \$50,911 in 1936 to \$54,287 in 1937.

In the iron and steel group pig iron and steel output both recorded gains over last year, and so did automobile production and building permits. Pig iron production in February just passed was 23,000 tons as against 24,000 tons in February, 1936; while steel output advanced from 93,000 to 116,400 tons. Coal output declined from 1,448,000 to 1,252,000 tons on the same comparison; but coke production increased slightly from 197,000 to 198,900 tons. The number turned out of automobile units increased, between the two February's, from 12,364 to 19,707; while building permits advanced from 11,911,000 to 13,128,000.

The financial reflection of general business activity presented a mixed picture, but the three indices of value added, the stock market, bank clearings for the month of February indicated 11,352 million this year as compared

with 11,461 million last year. On the other hand, the index of wholesale prices rose, as between these months from 72.5 to 82.9; while the retail price index advanced from 83.1 to 91.3. Carloadings, for the third week of March, were this year 47,079 as compared with 43,800 for the corresponding week of last year. As between the two February's, the output of electric power increased from 1,323 million kilowatt hours to 2,147 million kilowatt hours; and the index of employment for the first of March was this year 102.6 as against 98.9 at the opening of March, 1936.

In Canada's external trade both imports and exports showed marked gains. Imports rose from \$41,297,000 in February 1936, to \$46,580,000 in February just past, and domestic exports increased from \$62,077,000 to \$74,731,000. For the year ended with February imports increased from \$553 million in 1935 to \$583 million this year, while domestic exports advanced, on the same comparison, from \$448 million to \$1,446 million. The Department of Immigration and Colonization, Canadian Pacific Railway.

OLD BIRDS CAN "COME BACK"

Commodore Vanderbilt added one hundred millions to his fortune after he was 70.

Mrs. Anna Van Sickle swam twenty miles in the Pacific Ocean on her sixtieth birthday.

At 85 Daniel Beard can still outwalk the Boy Scouts.

Kant wrote three of his most important philosophical works after he was 74.

"The Battle of Lepanto" was painted by Titian when he was 70.

At 78 Lamarck finished "The Natural History of the Invertebrates."

"Over the Teacups" was written by Oliver Wendell Holmes at 85.

Goethe completed "Faust" at 80.

At 83 Lord Alfred Tennyson wrote "Crucifixion of the Son."

Verdi wrote four great operas after he was 72.

Arturo Toscanini, at 70, is one of the greatest living orchestral conductors.

"Paradise," a canvas 74 by 30 feet, was painted by Titian at 74.

Galileo was still making scientific discoveries after 70.

Benjamin Franklin helped frame the American Constitution at 70.

John Adams, at 76, guided war-weary France.

Justice Holmes wrote important Supreme Court decisions at 70.

Dr. Nicolaus Copernicus is still credited electrical inventions after 70.

Crowfoot Notes

Mr. Edney may make a business trip to Hussar Saturday.

Another disagreeable dust storm visited the district on Friday last, but later in the evening a rain followed and it rained practically all night. It was indeed refreshing and sent the moisture down to the other moisture. Everybody had a happy smile on Saturday. Another lighter shower followed on Sunday. The wheat is doing well and growing warmer there.

There was a large representation of Altaville school children at the celebration in town Wednesday, and they won many of the prizes offered for the various races.

Mrs. E. W. Campbell and Mrs. Floyd Neil were business callers in town last week.

Nearly all of the young folks attended the dance in the Masonic Hall on the 12th.

About thirty friends of Mr. and Mrs. Frank King walked in on them on Saturday night to extend well wishes and congratulations, and wish them a long life of wedded bliss.

Two Indian women and a little boy were paying house to house visits Monday morning.

A crowd from Makareena and Crowfoot motored to Gem on Sunday to witness the ball game.

Miss Edith Smith was a week-end guest at the Hoffbauer home.

Sid Roundhouse and Joe Rogers are rounding up horses these days.

Dr. B. E. Barlow, Veterinarian, Bassano, Alta.

Dr. W. F. Keith, Dentist, Phone 83, Bassano.

Dr. A. G. Scott, M. B., L.M.C.C., Physician & Surgeon, Office 37 - Residence 131.

Duchess Notes

Mrs. Enderbury and baby daughter, Deanna Geraldine, returned home from Medicine Hat.

Mrs. Lomas who has been quite sick in the hospital is home again. We hope she will be feeling herself again soon.

Mr. and Mrs. Brown and family were down from Glen on Coronation Day.

The Ladies Aid will hold a Lawn Social at the home of Mrs. Alfred Ingendagard on Wednesday, May 26th. Everyone is cordially invited.

Coronation Day in Duchess started off with a big parade from the school grounds. In the lead was a band, organized for the occasion, which was very much enjoyed by all. Miss Adams row followed in the form of a Coronation Pageant. The Colonies were also represented. This group received first prize. The second prize went to the "Girls Club", their entry being a decorated Dodge car owned by Mrs. Lake followed by 12 girls in Sailor costume. The 3rd prize went to Mrs. Phalons row. The children were decorated in Coronation Hats, sticks and sashes. The band received a special prize. Other prizes

BEER and SOUP

NO! These two refreshing beverages are NOT made in the same way.

Almost anything can be thrown into a pot to make soup --- but the finest malt, the choicest hops and the purest water combined with technical knowledge and high class equipment are essential to the manufacture of good beer.

It is a combination of these qualities that make

Local and Personal Notes

Mrs. Clark and Mrs. McKee and Percy spent the week-end in Calgary.

Mrs. Ingabath and Miss Ida and in Calgary this week.

Mr. and Mrs. Wm. McLaws and Mrs. Johnston were Calgary visitors on Thursday.

Lowell and Myra Sambrinks and Mrs. R. Tassant of Drumheller were visitors to Bassano last Sunday.

Mr. and Mrs. Jack Summerbell and Bobbenjunt Sunday with relatives in Brooks.

Mrs. Ugarsian and daughter, Jennie, were amongst the Calgary visitors last week.

Miss V. McCannell and Miss Grace Scher were Calgary visitors over the week-end.

Mrs. C. Murdoch, Mr. Roy Gayford and Mr. Harry Holmes supplied the music for dancing.

Shirley was presented with a Kodak, Bob Currie making the presentation as a gift from the guests.

Mrs. W. J. Parke of Rosemary Hill in Bassano on her way to Hutton, Sask., where she will spend a few days.

Games, dancing and prize dancing with balloons and streamers to add to the gaiety and color of the evening occupied the main part of the program. Later in the evening a buffet lunch was served.

Friday evening the I.O.O.F. Hall was the scene of a very enjoyable gathering when Shirley Holmes was guest of honor, it being the occasion of her birthday, to which a large number of teen age boys and girls attended.

Tid-Bits from the Kitchen

How To Make Ice Cream or Ices Without a Freezer

Cover the bottom of a pail with crushed ice. Put in baking powder, can, tumbler or hard pall containing mixture to be frozen, and surrounded with ice and salt. Turn can over occasionally with hand, and as soon as it begins to freeze, add frozen mixture from sides of can with a spatula, and beat mixture with spoon, continuing till mixture is frozen.

Ice cream is frozen cream. Frozen pudding, is frozen cream or custard to which fruits and nuts are added. It is usually served with sauce.

Water ices are fruit mixtures diluted with water and frozen.

Vanilla Ice Cream
1 quart thin cream
1 cup sugar
11 tablespoons vanilla
Mix ingredients and freeze
Lemon Ice Cream
2 cups milk
2 cups cream
11 cups sugar or syrup
Juice of 2 lemons
Rind of 1 lemon
Mix ingredients and freeze
Pineapple Ice Cream
Add 1 can grated pineapple to lemon ice cream recipe, using only 1 cup sugar. Freeze mixture.

Banana Ice Cream
One and a half cups banana pulp added to above recipe.
Orange Ice Cream
Add 11 cups orange juice and grated rind of 2 oranges to lemon ice cream recipe. Freeze mixture.

Peach Ice Cream
11 cups peach pulp
11 cups sugar or syrup
Juice of 1 lemon
1 quart cream
Mix and freeze

ICES
"Water ices" is fruit juice sweetened, diluted with water and frozen. "Sugars" is a water ice mixture to which is added dissolved gelatin or beaten whites of eggs. "Frappe" is water ice mixture frozen to a mush, using equal parts of ice and salt in freezing.

Holland makes it convenient for the better-wishes--stump seedling--mushrooms are placed alongside mushrooms.

The Japanese national hobby is collecting China.

Charm is nothing but vitality, the quality of not thinking eternally about oneself--Edward Thompson.

IS IT TRUE?

By the Club Reporter

That "Dodo" Bober almost got canned in Glenchee the other night.

That Gordon B. can pick up five pool balls in either hand.

That Mrs. McGraw was seen trying to drive the V-8 into Alf Hansen's butcher shop the other day.

That some of the local baseball boys who had just also stayed in Glenchee a little longer on Sunday, Thais alright boys, they play a return game here Sunday.

That theory Foster goes to town just once a year, that day being the 24th of May--believe it or not.

That Scotty Catbro can now tell you all you want to know about "Post Office." Maybe Cecil and Eddy can verify this statement.

That Ted Calbeck almost pulled the doors off their hinges at school the other day.

That L. Cona's favorite saying is "Where's Cass?" And poor Jack, has to look for his partner, but last old enough--has to wait out side.

That a number of the local Scouts were doing their good turns in Glenchee Sunday. But such good turns would be chalked against them--nuff sed.

That when the time came for participating in all the good turns, little Audrey didn't laugh--or did she?

What--nothing about Roy G. this week.

Hussar Notes

The North Star Oil Company has taken up the pipe line from the loading rack to the warehouse, and removed them on Saturday. They will also move the tanks to Calgary as soon as possible.

Mr. and Mrs. A. Thors Larsen motored to Calgary on Friday to attend the banquet in honor of the 55th anniversary of the reign of the Danish King.

Mr. W. R. Pym, B.A., Inspector of Schools, was a Hussar visitor on Thursday, after inspecting the Shallow Water School. On Friday he went on to the Sunny Range and Chancery schools.

Miss Clara Brasseur, who has been visiting friends in Calgary, returned the first of the week.

Mrs. A. Brown, who was called to Lethbridge last week on account of the death of her father, Mr. G. K. McIntyre, and returned home Wednesday with Mr. and Mrs. Thos. Stubbs of Victoria. Mrs. Stubbs is Mrs. Brown's sister. She reports her daughter, Ruth, who is ill in the Holy Cross Hospital, Calgary, as quite improved in health.

The following families attended the Coronation Celebration in Drumheller on Wednesday: H. D. Brown's, W. A. Treacy's, C. T. Armstrong's, L. M. Clark's, J. C. Lawrence's, Mrs. M. Moffat's, Mr. R. Anderson, accompanied by the Misses Marjorie and Edith Burdett.

Mr. A. Pla motored down from Drumheller and took the Misses Ada Pla and Berna Leggat and Mr. Albert Pla over to Drumheller for Wednesday's celebration.

Messrs. Graham Montgomery, Osborne Holland and Lorne Moffat motored to Bassano for the dance on Wednesday evening.

Preceded by a heavy dust storm, the first rain of the season fell here on Friday night; lasting till Saturday morning. A half inch of moisture fell. This rain was much needed and more would be appreciated.

The Misses Nancy Elliott and Helen Tang attended the dance in Bassano on Wednesday evening.

Mr. and Mrs. W. G. Nelson motored to Arrowwood on Tuesday to meet their daughter, Dorothy, who is returning home after a week spent as the guest of Miss Peggy Reeves at Lethbridge.

Mr. and Mrs. L. F. Snyder were Drumheller visitors on Thursday.

Mr. and Mrs. W. A. Treacy and Joy, and Miss B. Leggat and Alice F. Pla motored to Calgary on Sunday.

Miss Lyla Nelson of Dorothy spent the week-end at home.

Dorothy Notes

The monthly meeting of the Duck Lake Ladies Aid was held on May 24th at the home of Mrs. E. Seely. The group named themselves the "Willow Workers". There were twelve members present. An enjoyable time was had by all. Mrs. Vermilion asked several questions of interest about the Coronation which those present tried to answer. A lovely lunch was served.

Mrs. Percy Robertson and Mrs. E. L. Seely were Tuesday visitors at the home of Mrs. W. R. Whiting.

Mr. and Mrs. F. Thew motored to Calgary on Friday.

Dorothy Ladies Aid held the first meeting of the year at the home of Mrs. H. McKinnon. Eleven of their members were present. Mrs. Joe Pugh was elected president. Mrs. P. McKinnon, vice president and Miss H. Puleston, secretary-treasurer, were also elected. A very nice lunch was served.

Mr. and Mrs. Percy Law were visitors at the home of Mr. and Mrs. H. Thew.

Light showers have occurred in this district.

Mr. and Mrs. Ed. Oster are planning on a four or five hundred mile trip into B. C. shortly. They will trail through to the Kamloops district. Today McLaughlin of Medford, Sask., will accompany them. They will take eight head of horses.

Get justly, distribute cheerfully and live contentedly.

Fruits and Vegetables

Always fresh and in prime condition due to Refrigeration.

New Cabbage is still high in price. Hot house tomatoes are now on the market and are very good quality. We get ours straight from the grower. Splendid flavour. Asparagus—this is local grown and exceptionally good. The price is more favorable than if we had to buy imported. Cucumbers—still a little high, but we have a very nice size and grade at 20c each. Head Lettuce and celery—fresh crisp supply this weekend. New Carrots in Bunches—splendid quality, 3 bunches for 25c.

Suggestion—Pineapple and Rhubarb Jam. Both these items are now at their best and reasonable in price. What about putting up a few jars.

Peek Frean Biscuits, Assorted such as Abernethy, Digestive, Oval Tea, Brazil Cream, Lemon Puffs and many other varieties.
